321 Masters Bio 2014

Fraternal Greetings and welcome to Lodge Bonhill and Alexandria SARA 321 website.

I Hope you find our site interesting and find the information you are looking for. Please sign up for the Lodge News Letter. Our newsletter will give you up to date information on all that is going on.

Second time for me in the chair of King Solomon in my mother lodge and I can say without contradiction it is an absolute honour and privilege this time round as it is was for me in my first term in 1998-2000.

Freemasonry is going through a tough time right now and bringing in new candidates is proving to be a struggle, but we know we have to stay positive and encourage our candidates when they do come into the craft. We are very fortunate at 321 as we have new candidates to see us through to the end of the year. We have also seen an increase in visitors this year, this is mainly down to the good work of brethren of 321 getting out and visiting sister lodges. I appreciate these brethren and would like to add a sincere thank you to you all for taking the time out of your busy schedules and representing the lodge.

Our social club membership is growing fast with an increase of new members. The downstairs club is getting busier each weekend and again we are seeing more and more visitors frequenting the club. The Social Committee is working hard bringing new ideas to our social evenings, trying new events such as Games night, Bingo nights, and Music nights from the 60s- through to the present. We now run a very successful Saturday evenings entertainment with different acts every week, so please come along and join us you will be made most welcome.

Nearly recess for us but the work doesn't stop for us OB's. Monday and Thursday nights begin for our works party for all the small jobs that need done in and around the lodge. Brethren of 321 the lodge needs you.
